

# CPM, Inc.

## Line Card

- 1 ea – Fadal VMC 6030 3-Axis Machining Center with Rigid Tap and 4th Axis Capability. Includes a full complement of tooling and accessories.
- 1 ea – Fadal 5020 3 Axis Machine Center with Rigid Tap Capabilities.
- 2 ea - Fadal 4020FX 3-Axis machining Center w/ Ridge Tap. Includes a full complement of accessories & tooling.
- 1 ea – Komo VR-408 CNC Router. Includes a full complement of accessories, tools, and chucks.
- 1 ea –Hotwire Direct 8700 CNC EPS Foam Cutting System with full complement of attachments
- 1 ea - 2ea – Hardinge Tool Room Lathes, w/ Digital Readouts.
- 4 ea – Sharp Vertical Milling Machines, 3hp, manual, W/Digital readouts for the X and Y axis. Includes a full complement of tooling and accessories.
- 1 ea – Wells Index Vertical Milling Machine. Includes a full complement of tooling and accessories.
- 1 ea - Sharp 1640-C Variable-Speed Lathe. 7.5 hp. Includes a full complement of tooling and accessories.
- 1 ea – Trimos Vertical Precision Measuring tool.
- 1 ea – Ryobi 12” Drill Press. Includes a full complement of bits, chucks, and accessories.
- 1 ea – Delta 20” Single Phase Band Saw, Model 28-640.
- 1 ea – Delta 6” Disc Sander, Model 31-300.
- 1 ea – Delta 5-Speed Sliding Table Shaper, Model 43-792.
- 1 ea - Hendrick Vertical Panel Saw, V-Pro Series.

- 1 ea – Omni Turn CNC controller on the Ramco Milling Machine.
  - 1 ea – Micro-Vu 500HP Optical Comparator.
  - 1 ea – Sunny Surface Grinder, Model SGS-614F.618F.
  - 2 ea – Jet floor Mount Drill Press, 16 Speed, 3/4hp, Model 354166.
  - 1 ea – Rockwell 12 Speed Drill Press, 10”, 1/4hp, Model RK70311.
  - 1 ea – Romi T 17 Manual Lathe. Includes a full complement of tooling and accessories.
  - 3 ea – Precision Granite Plates.
  - 1 ea – Bobcat 225G Plus, Kohler-Powered.
  - 2 ea – Millermatic 251 MIG Arc Welding System.
  - 1 ea – Lincoln Power MIG 140C Welding System.
  - 1 ea – Miller Thunderbolt XL AC/DC Welding System.
  - 1 ea – Lincoln Precision TIG 275 Arc Welding System.
  - 1 ea – Lincoln Power MIG 350MP Welding System.
  - 1 ea— Hyster, Gas Powered 4,600lb Capacity, Fork Lift.
- Manufacturing Space Currently Occupied = 35,000 Square Feet.
- Capability of expanding to 150,000 square feet in the same facility.
